

## Year 6 Spring 2

### Cradle of Life

#### Mathematics

This term we will be:

Working with time, ratio and proportion, data handling and the four operations.

Linking all of our learning to aspects of maths we have already covered.

#### Writing

We will be exploring 'Jemmy Button' and other books related to evolution and will use them to write fiction and non-fiction texts of our own.

#### Reading

We will have a poetry focus beginning with the book 'Lost Words'.

#### Geography

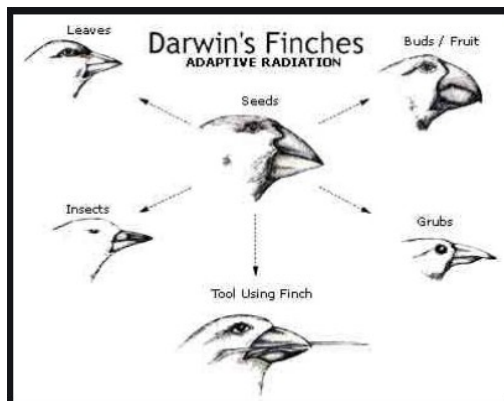

We will continue to exploring trade links around the world and linking it to mapping skills. Then move onto looking at biomes and the Galapagos Islands.

#### Music

Charanga unit 'Make You Feel My Love'.

#### PE

Orienteering and tennis.

#### Visitors / trips

PaleoQuest are visiting to support, extend and challenge our science learning in an exciting one-day workshop.

#### Links to home learning

- Use TT rock stars to improve your times table fluency
- Read everyday when possible
- Use SATS bootcamp to test your knowledge so far
- Use Education City—they have great games to support and extend your learning for maths.

#### French

We will continue to look at seasons and linking it to the story of Persephone.

#### PDL

Continuing our work on 'Relationships' we will focus on learning about discrimination, prejudice, confidentiality and when to refer to others. We will also work with the idea of recognising and managing our responses to dares.

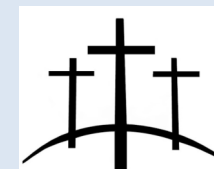

#### Art

We will finish our work on t-shirt design.

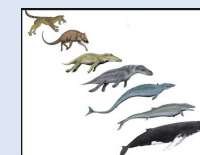

#### RE

Our work will be blocked into the before Easter when we will focus on the relevance of the empty cross.

#### Science

We are exploring life cycles, evolution and natural selection.
