

*Believe, Strive, Achieve*

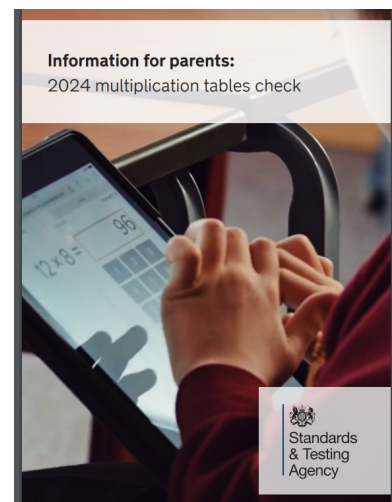

# Come and join us with our learning!

As you know Year 4 children will be taking the national multiplication tables check test in June. We would like to invite you in to a session to work with your child and see what they will be asked to do and how you can support them.

Come in at **8:55** for a cup of tea or coffee (and a biscuit or two), then join in a session with your child.

**Rowan class– Wednesday 20th March**

**Beech class– Wednesday 27th March**

We can't wait to have you join us!
