Dear parents/carers,

We are excited to announce that Federation now has access to a free online book resource. This is a brilliant free resource provided to us through our subscription to the School Library Service. It will give children a platform to continue to borrow and read books at home. It is updated monthly with new and exciting titles including audio books and is easy to use.

Every child has a login and details of how to access the resource and login are listed below.

Login: firstname.secondname e.g. joe.bloggs

(for double barrelled names: joe.bloggs-smith; and doubled first names: joe john.bloggs)

Password: Library1

If you have any issues with your logon please contact the admin office.

As with any online activity we advise that you monitor your child's use. Restrictions have been put in place to try and prevent the downloading of titles that may be better suited for older readers.

We would love to hear the titles you have enjoyed reading from our e-book platform so please share via the school's Facebook page or with your teacher on Seesaw.

The School Library Service (SLS) have fantastic recommendations too! Why not give them a try:
