

# Come and join us with our learning!

Come to the infant hall at **8:55am** for a cup of tea or coffee (and a biscuit or two).

We will be showing you how you can help your child with their maths learning.

Your child will then come and join you in the hall to demonstrate their skills.

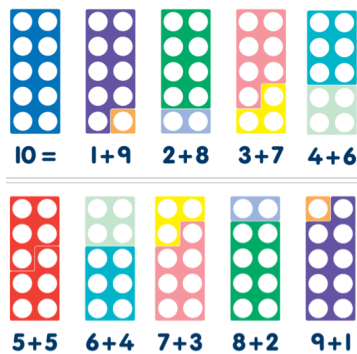

Sessions will last approximately 30 minutes.

**Badger and Owl Classes - Wednesday 24th April**

**Woodpecker and Otter Classes - Wednesday 1st May**

**Kingfisher and Fox Classes - Wednesday 8th May**

We can't wait to have you join us!
