Year 5 Trip to Winchester Science Centre and Planetarium – Monday 11th May 2026

Dear Parents

During the summer term our Year 5 theme is based on space. The focus of our trip is to explore the planets and stars in the planetarium and use our knowledge of forces, that we will be learning in the summer term, to design and make a rocket that blasts off! The children will also have the opportunity to investigate the exhibits on both floors.

The cost per child is **£19.90** in order to cover the cost of the coach and museum entry. Whilst your contributions are voluntary, please be aware we have to rely on them to offer off-site activities for the children. If insufficient contributions are received we may not be able to continue with our arrangements. Thank you for your understanding.

The children will travel by coach, leaving at approximately 9.15am and returning to school at around 3.00pm. The children will be accompanied by their class teachers, other members of staff and additional adults, all of whom will have been briefed about the planned learning experiences, all health and safety matters and our expectations of the children's behaviour whilst out of school. As on any other day, your point of contact for the day is the Federation Admin Office.

The children **do need to wear their school uniform on the day** they are visiting the Centre.

Children will need a packed lunch in a disposable bag that is named. The children may also wish to bring a water bottle. If your child is entitled to **free school meals** the school can provide him/her with a packed lunch for the day. Please indicate on the attached slip if you wish the school to provide a packed lunch for your child on the day of the trip.

No spending money or cameras are required for this visit.

Please complete and return the attached form to give permission for your child to take part in the activity as soon as possible but by **Friday 1st May at the latest**.

Please note that if we feel that your child's in-school behaviour may be liable to put themselves or others at risk whilst we are off the school site, we will have to consider whether he/she is able to go on the trip and we may have to refuse to take him/her with us. If we feel we will be unable to take your child on the trip we will contact you to discuss this and any monies you have paid will be refunded. If unable to go on the trip, your child should come to school as usual and provision will be made for him/her in another class for the day.

Yours sincerely

Mrs K Murphy & Mrs S Davis
