Experience the Iron Age ~ Year 3 Visitor

Dear Parents and Carers,

We are very excited to share with you that we have organised a day on Monday 16th March 2026, for a very special visitor to come in! Matt Russell who is part of the group “Experience the Iron Age” will be joining us for a practical hands on day to enhance our learning of what life was like in the Stone Age and beyond!

Our day will start off by looking at Stone Age artefacts and weapons including real furs and skins. (Please let us know beforehand if your child might have any allergies). We will also be warrior training in the afternoon in the junior hall, where the children will try out a vast array of Iron age equipment.

This will be our main visit during the year, so in order to cover the cost, we are asking for a donation of **£10.55 per child**. The donation is a voluntary one, but unfortunately if there are not enough contributions, we will have to cancel this amazing experience.

To get into the whole experience, we would like to invite the children to come to school in character wearing something warm and suitable for our day’s activities. The children will be reminded of this nearer the time, but we have attached some costume ideas on the reverse of this letter so you can plan ahead.

Please complete and return the attached slip **by Wednesday 11th March at the latest**.

Yours sincerely

The Year 3 Team ~ Mrs Denning and Miss Bulpitt

**WINKLEBURY JUNIOR SCHOOL
Year 3 Iron Age Experience Monday 16th March**

I enclose £..... Cash / I will pay Online towards the cost of the Iron Age visit.

My child is allergic to fur/ skin (Please circle) Yes No

Child’s name.....Child’s class.....

Signed.....

Clothing – simple tunic top (or very large t-shirt) worn over long trousers. They could have a cloak over their shoulders. A simple belt could be made by plaiting string. Please remember it will need to be something warm and comfortable for wearing outside.
