

Your Guide to Get Set for Milan

As a school we have decided to get active and join “Get Set for Milan”. All classes will be joining in the fun at school and we are asking all of our families to join us too. However, we have also decided to have some healthy competition and are going to see which class can reach Milan first.

Get Set for Milan invites you and your child’s class team to journey between the major sporting venues of the Olympic and Paralympic Winter Games Milano Cortina 2026, following Team GB and Paralympic GB athletes as they prepare for the adventure of a lifetime.

Over an 18-week countdown to the Winter Olympic and Paralympic Games, each class will, learn about different athletes, watch videos, move, play and work together to collect sporting badges – building healthy habits, staying active, and celebrating the power of teamwork.

Movement at home can be anything from walking to and from school, playing in the park, dancing in the kitchen or clubs, anything that gets you up and moving and ultimately having fun

Each class has created a team account to log all of their minutes of movement which you can also access at home:

Step 1 - Go to: <https://getset.co.uk/app/log-activity>

Step 2 – Enter the unique pin – 3727

Step 3 – Click ‘Lets Go’

Step 4 – Choose your child’s class

Step 5 – Click ‘Lets Go’

Step 6 - Enter/Log your minutes of movement and watch your class team progress from the opening ceremony in Milan to the closing ceremony in Cortina.

**Unique Pin:
3727**

Good luck and may the most active class reach Milan first!!
