Believe, Strive, Achieve

Monday 2nd November

Dear Ducklings and Badger Class Parents,

Some of you may remember that in previous years we have held a Christmas craft session exclusively for our Year R children. This year, we have decided to bring everyone together and hold a joint Christmas craft session for both our Nursery and Year R children – after all, the more the merrier!

This will take place on **Wednesday 2nd December**.

The arrangements for our Ducklings children will be slightly different from those for Year R, so please take a moment to read the letter carefully to ensure you have all the information relevant to your child.

Year R (Badger Class) Parents

Please take your child to their classroom door as usual before making your way round to the Infant School main entrance, where you will be asked to wait.

The session will begin at **9am promptly**, with parents and guardians only, so that you can watch the demonstrations and collect the materials you will need.

The children will then join you at approximately 9.10am, giving you the opportunity to work together to create some lovely Christmas items, such as cards, bags and decorations.

The session will finish at approximately 10am.

Nursery (Ducklings) Parents

If your child usually attends on a Wednesday morning:

Please take your child to the Nursery door as usual so that they can be registered. You can then make your way through to the Infant School hall via the main entrance. The Nursery staff will bring your child through to join you once the demonstrations have finished.

If your child does not usually attend on a Wednesday morning:

We would still love you to join us! You can bring your child straight into the Infant School hall with you. They **do not** need to go into Nursery to be registered.

The session will begin at **9am promptly**, giving you the opportunity to watch the demonstrations and collect the materials you will need to work together to create some lovely Christmas items, such as cards, bags and decorations.

The session will finish at approximately 10am.

A few other important things...

We would be grateful if you could make a voluntary donation of **£1 per child** to contribute towards the cost of the resources needed for the session.

If you would like to attend this session with your child, please complete and return the slip below.

Please don't worry if you are unable to attend. You are very welcome to send a granny, grandad, auntie or another family member in your place. If nobody is able to attend, a member of the school team will be on hand to help your child take part.

Please note: For Ducklings children, if the session is not one they are already booked in to attend, you will need to remain with your child throughout the event. They cannot be left in school.

IMPORTANT: We are unable to accommodate younger siblings at this event, so please make alternative arrangements for younger children.

Thank you for your support. We look forward to a lovely festive morning of Christmas crafting!

Yours sincerely,

Mrs Branch
