

Is your Child Starting school in September 2022?

Would you and your child like to join Home-Start to gain some useful tips to be prepared for school?

Home-Start is running a **Free** six-week preparing for school course starting 9th June 2022 at Winklebury School.

The course covers morning and evening routines, playing together, mark making and name recognition as well as strategies for coping with separation

If you are interested, please contact the school to book a place.
