Year 6 Autumn 2

Mayan Mystery

Mathematics
This term we will be:

Calculating with the four operations using formal methods

Working with fractions, percentages and decimals

Calculating and measuring angles.

Writing. Our writing will be based on the picture book The Midnight Fair. We will be working on our narrative writing, including writing a setting description and conveying character through dialogue.

Reading
Reading will look at texts which relate to our writing and develop the higher order skills needed for Y6 with a focus on non-fiction and poetry.

History
Investigating an ancient civilisation—looking at daily life, beliefs and traditions.

Computing
Learning how to use word processing packages.

Art
Making the link to our history work, we will look at the civilisations art form of masks and use their ideas to design our own.

Design and technology
We will apply the principles of a healthy and varied diet to create and cook a healthy meal.

This half term we will be doing rebound fitness and gymnastics.

French
We will finish our work on language to describe and then learn about our school day, in French. There will be a focus on using voici and voilà.

PSHE
The focus continues this term with 'Healthy Relationships' land using the zones of regulation to understand our behaviours.

RE
We are looking at incarnation with a focus on "An Extraordinary Baby".

Science

We will be continuing our investigations into sound and then starting our learning about evolution and classification.
