# Functional Skills

## Do you need to gain a maths qualification?

The Hampshire Multiply team can help.

Functional Skills Level 2 is equivalent to a GCSE grade 4 (C) and this qualification is accepted by both employers and universities/colleges.

You will be taught in a friendly, supportive environment with a dedicated tutor.

We offer a variety of flexible delivery methods including online or in person, daytime or evening.

**Weekly programme\*** - 2 hours a week for 6 months with an exam at the end

**Full day delivery programme\*** - 1 day a week for 12 weeks with an exam at the end

**Condensed programme\*** - 1 month of prework and 1-week intensive learning with an exam at the end

**If you are aged 19 or above and don't hold a maths GCSE grade 4/C you will be eligible to access Multiply.** Funding is available to cover childcare and travel expenses subject to criteria.

There will be an initial assessment and independent study required.

Please follow the link below to submit your interest to the course or use the QR code at the top right of this poster - [Functional Skills Referral form](#)

\* these timescales are estimates, learners are always on an individual journey and if you are ready to take an exam we will not hold you back. If you need longer to gain more confidence, then we are there to support you.
