We are
RECRUITING
GOVERNORS

- 1. Make a difference to improve outcomes for children.
- 2. Give something back to the community.
- 3. Work as part of a team.
- 4. Use your skills and expertise to support schools.
- 5. Networking.
- 6. Parent voice.

If you are enthusiastic and passionate about your children's education and our school then this could be the role for you! As a Governor you volunteer your time to make sure Winklebury Federation is the best it can be. The 3 main responsibilities of a governor are: helping set the vision of the school, overseeing the finances to make sure the money is well spent and holding leaders to account to ensure the best possible outcomes for all our children. Governors meet 9 times year and come in to the school on a regular basis to visit and monitor the progress. All new Governors are required to complete an induction course and then there is full training available, with a mixture of e-learning, webinars and in person sessions so you can work around your schedule.

If you would like to know more then please contact admin or email the Chair of Governors on chair.governors@winklebury-jun.hants.sch.uk.
