

Mathematics

We will be: consolidating our use of the formal methods to multiply and divide, work with fractions, decimals and percentages, recover elements of measures and problem solving and algebra so we are ready to move to secondary school.

Year 6 Summer

Writing

Linking art and last term's topic of Biomes, we will be creating and writing about our own imaginary biomes as non-fiction texts and persuasive writing. We will work to develop our writing style and consolidate the use of punctuation like ;: () and -.

Reading

We will be reading a range of non-fiction texts for history and The Wonder Garden.

RE

We will be learning about Sikhism and their philosophy of selfless service called sewa.

PE

Athletics and kwik-cricket.

Trips and important events

SATs begin on Monday 13th May and will include a daily breakfast club. A bowling and picnic trip are planned for Friday that week. Activity days are booked for 2nd and 3rd of July.

Computing

We will be using Scratch to create a range of algorithms.

Music

Using Charanga and focusing on the music of Carole King.

History

Our focus is on the Early Civilisations we will compare Ancient Sumer, Egypt, the Indus Valley and the Shang Dynasty. We will learn the achievements they have in common and what this tells us about 'civilisation'.

PSHE—The focus this term is to learn about keeping ourselves healthy both in body and in mind, as we grow and

Art

We will use collage linked to our learning in Spring 2 about biomes.

French

We are learning about the world and how to describe landscapes and the animals that live there.

Science

Looking at electricity and circuits.
