Finding it hard to fill your child's time, mind and tummy? Join our free, weekly 'Books and Brunch' scheme for children ages 4 - 11yrs.
(For children eligible for benefits related free school meals)

If your child is already a member of Hampshire Libraries, join the Books and Brunch scheme by popping into the Discovery Centre or emailing basingstoke.discovery.centre@hants.gov.uk

If your child is not a library member, register at your local library or online at www.hants.gov.uk/librariesandarchives/library/membership/jointhelibrary/ or scan the QR code

We will select books for your child to borrow and let you know by phone or email when they are ready to collect.

When you pick up the books, you will get a free brunch bag of food items for your child to take away.
