

In **English**, phonics will continue with our daily phonics and spellings programme to support both reading and writing. The children will be developing their writing skills using the text 'The 100 decker bus' by Mike Smith.

In **Computing** the children will explore the use of digital art.

In **Science** the children will be learning about different forces.

Pushes and pulls.

In **R.E.** the children will be learning about the concept of 'remembering', looking at 'Holi' the festival of colour.

How you can help?

Reading- please listen to your child as often as possible.

DON'T FORGET OUR CLASS READING RACE!

Continue to practise times tables at home

Year 2

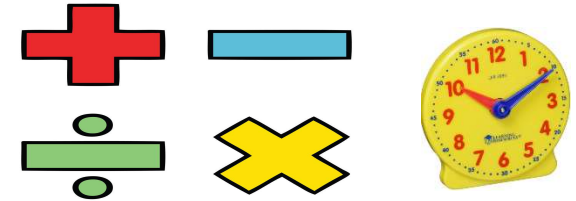

Spring 1

'T' is for Transport

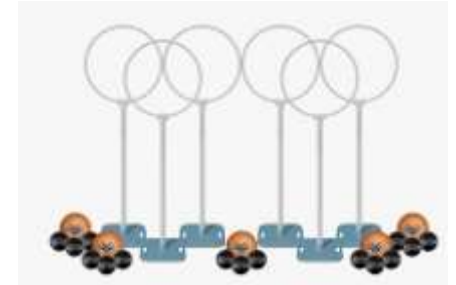

In **DT** the children will be looking at wheels and axles on a vehicle. They will be using this knowledge to make a moving vehicle.

In **Maths** the children will be working on their multiplication and division skills. We will also be working more at learning our 2x, 10x and 5x tables. We will be revisiting addition and subtraction and also learning to tell the time.

In **P.E** the children will be introduced to the game Quidditch and start Rebound fitness.

In **P.S.H.E** the children will be focusing on relationships, discussing the roles of different people including families and being cared for. We will also discuss ways of staying safe.
