

2019 Financial Year End

As part of our charity registration our financial year has moved to the school academic year but due to Covid we were a little delayed! We can confirm that we have given the schools £2000 each to spend on the children and the school. During 2019 the school spent the money given them previously on equipment for classes and year groups, improvements to the book corners, POP UK and other items to enrich the children's time in school. We are going to have to pull together as a school community to find additional ways of raising money and providing fun and enriching opportunities for our children.

Thank Everyone for your support, we are proud to be part of the Winklebury School Community.

School uniform

We are now of stocks of uniform available. This has been washed and bagged individually to ensure Covid safe. We cannot do the table top sales as normal so we will be sharing our inventory and you can contact us if you need something. Please get in touch if you need something and well add you to a waiting list. Also please let us know if you have items to donate.

Santa Letters

Santa and the Elves are extra busy during these strange times so PAWS want to help make sure letters get to Santa and his replies get back. We are going to collect all the letters, and with some parental donations to cover costs, will get those letters delivered to the North Pole and collect the replies and hand them out at school. More information on this will come soon!

Christmas Raffle

It wouldn't be Christmas without a PAWS raffle! We are working hard to get as many great prizes as we can and then tickets will be sent home for you to send back the stubs and money as we have done before. The draw will be done in school and all winners contacted. These will go on sale in December at £1 a ticket / £5 a book.

Next meeting

We are going to trial an online teams meeting on Thurs 22nd Oct so please contact PAWS if you would like to be added to the invite.

Christmas gifts

PAWS have partnered with Fab Bricks to offer personalised keyrings that will make great stocking fillers / gifts and order forms will be coming for those in early November.

We are looking at tea towels or tote bags to sell which are also great presents that can be sent to family around the country and more details on those will come in November.

We are hoping to sell some of the amazing gifts we have in storage for adults and children and will be taking pictures of those and uploading for online sales so keep an eye out for those!
