

In English, we will be writing a range of sentences using the correct punctuation, developing these using a range of conjunctions to link ideas.

We will be focusing on facilitating the children's independence in their writing using the text 'The Night Gardener'. The children will be working on their editing skills, checking their work for sense and meaning and correcting errors in punctuation and spelling.

In **P.E** the children will be taking part in a variety of athletics events and learning how to play 'Drumba.'

In **R.E.** the children will be learning About Judaism and the concept of 'belonging.'

In **Maths** the children will be learning how to measure and read scales and using the skills they have learnt to add and subtract. The children will also be looking at and comparing fractions including halves, quarters and thirds.

Year 2

Summer 1

'P is for Plants'

In **Geography** we will be learning about features of the seaside. We will be looking at the human and physical features of the seaside and comparing beaches.

In **Computing** the children will be learning features of a keyboard and starting to establish keyboard skills.

In **Art** our focused artist for this half term is Kurt Jackson. We will experiment with a range of materials to create seaside pictures.

How you can help can help your child

Reading– please practice as often as possible – **DON'T FORGET OUR CLASS READING RACE!** Don't forget to work on your timetables on 'Times Tables Rock Stars'.

In **Science** the children will be looking at plants and what they need to grow and how seeds grow into new plants.
