

Mathematics

We will be: consolidating our use of the formal methods to multiply and divide, work with fractions, decimals and percentages, recover elements of measures and problem solving and algebra so we are ready to move to secondary school.

Writing

Linking art and last term's topic of Biomes, we will be creating and writing about our own imaginary biomes as non-fiction texts and persuasive writing. We will work to develop our writing style and consolidate the use of punctuation like ; : () and -. We will also be writing some narratives with dialogue based on a short film stimulus.

Reading

We will be reading a range of non-fiction texts for history and *The Wonder Garden*.

RE

We will be learning about Sikhism and their philosophy of selfless service called *sewa*.

Year 6 Summer

Trips and important information

SATs begin Monday 11th May and will include a daily breakfast club. A bowling and picnic trip are planned for Friday that week. Activity days are booked for the 11th and 12th June.

Computing

We will be using Microbits to create a range of algorithms.

Music

Using Charanga and focusing on the music of Carole King.

History

Our focus is on the Early Civilisations we will compare Ancient Sumer, Egypt, the Indus Valley and the Shang Dynasty. We will learn the achievements they have in common and what this tells us about 'civilisation'.

PSHE

The focus this term is to learn about keeping ourselves healthy both in body and in mind, as we grow and mature.

Design and Technology

Building bridges with a focus on joins and coding with Crumbl control

PE

Athletics and kwik-cricket.

French

We are learning about the world and how to describe landscapes and the animals that live there.

Science

Looking at electricity and circuits.
